About NVTRP

The Northern Virginia Therapeutic Riding Program provides therapeutic horseback riding to children and adults, youth-at-risk, veterans and their families in an inclusive, community setting. By focusing on each rider's ability rather than disability, we have enjoyed improved balance, coordination, muscular strength, social skills, and self confidence.

"Horses leave hoof-prints on the heart. How will you leave your mark?"

**Exciting sponsorship opportunities are listed on
our website www.nvtrp.org**
